To ascertain which of your employees may be employed by the state please utilise this link and capture your employee's ID number for results. For your update to be processed timeously please ensure that the necessary approvals in the form of the below-listed documents have been submitted for each of your staff members as well as the Supervising Doctor should they be employed by the state together with your update form.  • Confirmation of Community of Service Completion

Please also supply the contact details of the persons responsible to confirm the approval/resignation.	
Once the approval (RWOPS Certificate/Resignation letter/Sessional work confirmation /Work Contract) has been received we are going to perform a validation with the state employer. We will contact the employer at the state facility via email and telephone to verify that approval has been granted for remunerative work outside the public service or if the nature of employment allows for private practice. Thus, we urge you to provide the correct contact information for the employer on the update form to ensure the process is not delayed. We also encourage you to advise the employer that the validation will take place, so they are aware.	
All Healthcare Service Providers who are in Public Service are required to submit the renewed necessary approvals stipulated above annually to avoid the suspension of their practice numbers.	
The Compliance and Risk Unit has been established to monitor adherence to the PCN System's Terms and Conditions.
